**DON'T
BE A**

PUMPKINHEAD

Did you ever carve a pumpkinhead? Those holes for eyes. And then the nose, and finally the grinning mouth! Doesn't it scare you?

Especially at night when you put a candle inside. But you know what's wrong with a pumpkin head! **IT'S HOLLOW!**

The day after Hallowe'en you throw it away. It will soon rot and die. It glows and seems alive only when it has a light inside. You aren't a pumpkin, but all of us are something like one. We may grin and look alive, but we will someday die. But we can have a light inside that will truly make us alive! This real light is

JESUS.

Did you ever hear of Him? He is the Son of God who was born on the first Christmas many years ago. He was born into this world to die for our sins. And now He wants to live inside you! Isn't that strange? But remember, He is God. Although He died, He arose from the dead. And now by

loving Him, receiving Him, believing on Him, and following Him, He lives inside you. Then you will glow! You will want to be kind and true. You will want to please Jesus, to help others, and to tell them about your Friend. Then you will be truly alive!

JESUS SAID: "I am the light of the world: he that followeth me shall not walk in darkness, but shall have the light of life" (John 8:12).

*“For God, who commanded the
light to shine out of darkness,
hath shined in our hearts...”
(II Corinthians 4:6).*

*“And they that be wise
shall shine as the brightness
of the firmament”
(Daniel 12:3).*

Would you really like to shine
like the stars? Do you want to
really glow? Then receive the
Light of the world, Jesus Christ.

DON'T BE A PUMPKINHEAD!

Have the Light of life in your heart!
