# Higher Than A Spaceship

Activities to Do  
and Learn

**Follow the maze:**

**Did you ever wish to travel to the moon? God, who made the earth and outer space, wants you to go farther. He wants you to go to Heaven.**

**Unscramble the letters.**

**There is only one way to go to Heaven. God tells the way in His Book, the Bible.**

Find the following words in the puzzle below:

**FOR THE WAGES OF SIN IS DEATH**

I	S	W	P	T
D	E	A	T	H
F	T	G	R	E
O	F	E	O	A
R	K	S	I	N

No one can go to Heaven without Jesus. God loves you, but hates the bad things you do. God calls things that displease Him sin. He hates sin so much that He said sin would have to be punished.

Trace over the dotted lines.

**JESUS DIED FOR YOU**

God had a special plan to forgive your sin. He sent His perfect Son, Jesus, to earth. Jesus died in your place. He took your punishment.

## You can pray like this:

"Thank You, Lord Jesus for coming to earth to die for my sin. I am sorry for my sin. I ask You to forgive my sin and save me. Please come into my life. In Jesus name, Amen.

You need to believe Jesus died for you. Ask Him to take away your sin and give you a clean life.

You can talk to God wherever you are. He will hear you.

## Block out all the X's to read the message.

When you receive Jesus as your Savior and Lord, He makes you His child. He wants you to live for Him. Read the Bible to learn more about Him.

**Follow the maze to Heaven!**

**Jesus did not stay dead. He arose and went back to Heaven. There He is making a home for those who trusted in Him. Someday, He will take us there when we die.**

**by Mary Currier**

Reorder by name: **Higher Than A Spaceship**
