**MAKE THIS A
REAL
HALLOWEEN**

Why do you go out on Halloween?

What is Halloween all about anyhow?

Are there really witches who can scare people?

People have long forgotten the original meaning of this night. Hundreds of years ago the first of November was celebrated as All Saints Day and the night before was kept very holy and sacred; it was a hallowed evening (Hallowe'en).

Isn't it strange that a hallowed (holy) evening has come to be filled with thoughts about devilry and tricks? Maybe your Hallowe'en tricks didn't seem very devilish, but every person in the world is a sinner and should be punished. Sins are the evil thoughts, naughty words, and

wicked deeds that are so displeasing to God. Everybody belongs to the devil because the very first man—the father of us all—rebelled against God and sold himself and all mankind to the devil. Now you don't like to be called devilish, do you! You will be happy to know that there is a way to escape hell—which is the place where the devil lives and where all people will go who belong to him rather than to God. God loves boys and girls as well as grownups and sent His Son, Jesus, to die for them. By dying, He paid the price to buy them back from the power of the devil.

If you believe on Jesus as your Savior, God accepts the work of Jesus on the cross as full payment for all your sins.

God wants you to be sorry for your sins and to take Jesus into your heart.

Why don't you make this a real Hallowe'en—a hallowed evening—by doing what will please God most: accept His Son and live the rest of your life as He wants you to!

“But as many as received him, to them gave he power to become the sons of God, even to them that believe on his name” John 1:12.
